Our discretionary management agreement

- With this agreement, you would like us to manage your financial assets on your behalf: daily monitoring of your portfolio is guaranteed.
- First of all we determine your risk profile, to ensure that the decisions we take are in line with your wishes.
- We manage your assets through investment in individual positions, mutual funds, or a combination of the two.

Our advisory agreement

- With this agreement, you actively participate in the management of your account.
- We track the performance of your investment choices and keep you informed.
- Depending on market conditions, we may put investment ideas to you. It is up to you whether you follow them or not.

Our custodian banks

Keeping your securities truly secure

- When you become a client of VPB Finance SA, your assets are held in custody with well-established financial institutions.
- We consult with you to determine the most appropriate country (Luxembourg, Switzerland, Liechtenstein, etc.).
- We can also offer you an "on-shore" custodian.
- You are therefore guaranteed truly safe custody for your securities.

Our investment partners

- VPB Finance S.A. is continuously seeking out the best financial products. We have complete freedom of choice based on the "open architecture" principle, a well-known concept in finance. We select the products best suited to your risk profile and personally monitor their performance.
- VPB Finance S.A. can also offer you Luxembourg life insurance products (equivalent to "branch 23" products in Belgium). We will present our partners to you on request.
