Up to date & transparency

Looking for comprehensive information on the VP Bank Group? Here you can find everything about our company, our commercial success and our ongoing activities.

VP Bank is an internationally active private bank with a strong position in the market, a fact that is underscored by our client assets of approximately CHF 40 billion and 60,000 satisfied customers from roughly 60 countries. With its «A-» rating from Standard & Poor's, the VP Bank Group is one of the few officially rated private banks in Liechtenstein and Switzerland.
